Kidney disease often advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the kidney secretions are offensive, irregular and attended with pain, procure a good kidney remedy at once.

Thousands recommend Doan's Kidney Pills. Read the statement below.

H. L. Stull, proprietor of a blacksmith shop, E. First St., Mountain Grove Mo., says: "Some years ago I was suffering from kidney trouble the worst source of the complaint being a weak and lame back. It kept growing worse until my back was a constant ache and I could hardly bend one way or the other. The kidney secretions passed too freely and bothered me by getting me up too often at night. I had heard a great deal about Doan's Kidney Pills and began their use. It took only a few boxes to completely cure me and I have never had a return of the complaint since."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Stull had. Foster Milburn Co., Mfrs., Buffalo, N. Y.—Adv. No. 58.
